PREFACE.

Mr. Charles Morris has been for many years an ardent collector, and the dispersal of his fifty years of work in the field of Numismatics will prove an opportunity to collectors to add to their collections. This catalogue describes Part I of his collection, the balance to be sold later will chiefly consist of his unapproachable collection of Canadian coins, tokens and medals. Careful perusal of the following pages will disclose many desirable pieces, notably the Sommer Islands; N. All coins or medals are guaranteed genuine, and this holds good indefinitely.

Catalogue with 5 plates and portrait will be supplied on receipt of $1 before the sale; or after sale, hand priced, for $1.65. Catalogue, without plates, priced after sale, for 65c. cash with order.

We charge 10 per cent. commission on the *amount purchased.* The auctioneers will execute bids free of charge, but they assume no responsibility, and require payment to be made prior to shipment of the goods.

The following Cents and Half Cents are each in an envelope carefully marked by Mr. Morris, as to the variety, as described in the Coin Collector's Journal. The varieties are so minute that to describe them sufficiently to enable collectors to determine the variety, it would be necessary to republish the magazine referred to. While there may be duplicates in each date yet the supposition is that generally speaking they are different dies.
